University Faculty Senate

The Center for Global Studies
Office of the Executive Vice President and Provost
The Mentor: An Academic Advising Journal

dus.psu.edu/advisers/conf_fall11.html

ADVISING FOR THE GLOBAL COMMUNITY

Many of today's world issues span traditional borders and impact people across nations, cultures, disciplines, and professions. Academic advisers, consequently, are increasingly encouraging college students to become engaged and competent global citizens and leaders. Join us as we explore this important topic, what it means for students, and how advisers might help them make important global connections.

Help us also celebrate the tenth anniversary of the Professional Development Conference on Academic Advising!
